2019.022.001	Photograph	Aerial Photograph of Seventh Street	4/19/1972	Black and white aerial photograph marked on back with stamp "Long Beach Police Department Criminalistics Laboratory - Photo Section" and dated 4/19/72, "Photo by Dillon". (11" x 14") Photo depicts Seventh Street looking west, from the outlet of the 22 Freeway (SR 22) toward CSULB. In lower left corner is Kettering Elementary School and in lower right corner is the Bixby Hill development with houses under construction. In the middle left of the picture is the University Park Estates development, and an area of vacant land partially used as parking for the Cal State Long Beach campus, which is located in the middle right of the picture. The Veterans Administration hospital complex is visible beyond CSULB. In the upper left of the picture, the Stoneybrook residential complex between Bellflower Boulevard and Pacific Coast Highway is visible, with the Long Beach harbor and high rise buildings along Ocean Boulevard visible in the distance.
2019.022.002	Photograph	Aerial photograph of intersection of Seventh Street, Pacific Coast Highway and Bellflower Boulevard	4/19/1972	Black and white aerial photograph stamped on back with "Long Beach Police Department Criminalistics Laboratory - Photo Section" with date 4/19/72, and "Photo by Dillon". (11" x 14") Photo depicts Seventh Street looking east, with the intersection with Pacific Coast Highway and Bellflower Boulevard in the right foreground. The Veterans Administration hospital complex is in the middle left of the picture, with the Cal State Long Beach campus behind. The power plant complexes along the San Gabriel River are visible in the right background of the picture. In the center background, Seventh Street can be seen merging into the San Diego Freeway (Interstate 405). Businesses that continue in operation today on Pacific Coast Highway (Jack in the Box, Denny's) are visible in the foreground. The donut store at Seventh Street and Flint Avenue with the large donut sign in front (now a Dunkin' Donut store) is also visible.

2019.022.003	Photograph	Aerial photograph of Seventh Street at Cal State Long Beach campus	4/19/1972	Black and white aerial photograph stamped on back "Long Beach Police Department Criminalistics Laboratory - Photo Section" dated 4/19/1972 and "Photo by Dillon". (11" x 14") Photo depicts Seventh Street at the Cal State Long Beach campus with the intersection with Margo Avenue/East Campus Drive in the foreground. A large parking lot on the south side of Seventh Street (today part of University Park Estates) and a portion of the Veterans Administration hospital complex in the background. A sculpture at the East Campus Drive entrance to Cal State Long Beach is visible in the right foreground. The sculpture is composed of 19 concrete figures and is the work of Dutch artist J. J. Beljon. The title of the work is titled "Homage to Sam Rodia". Rodia was the builder of the Watts Towers. This sculptural work was created for the 1965 Long Beach International Sculpture Symposium.
2019.022.004	Photograph	Aerial photograph of Seventh Street at Bixby Hill development	4/19/1972	Black and White aerial photograph stamped on back "Long Beach Police Department Criminalistics Laboratory - Photo Section" dated 4/19/72, and "Photo by Dillon". (11" x 14") Photo depicts Seventh Street looking east to where it merges with the San Diego Freeway (Interstate 405) in the center background (toward SR 22). In the right foreground is a parking lot and in the left center is the sculpture garden at East Campus Drive and Seventh Street. The construction of homes in the Bixby Hill development is visible in the left background, with Kettering Elementary School and the University Park Estates in the right background.
2019.022.005	Photograph	Aerial photograph of Seventh Street between East Campus Drive/Margo Avenue and Studebaker Road	4/19/1972	Black and white aerial photograph stamped on back "Long Beach Police Department Criminalistics Laboratory - Photo Section" dated 4/19/72, and "Photo by Dillon". (11" x 14") Photo depicts Seventh Street looking east from intersection with East Campus Drive/Margo Road to the Studebaker Road overpass. Bixby Hill development is on the left and Kettering Elementary School and University Park Estates is on the right.
2019.022.006	Photograph	Aerial photograph of Second Street looking north	1975 - 1989	Color aerial photograph of Second Street looking north (8" x 10") Photo depicts Second Street from Bayshore Avenue on right to Santa Ana Avenue on left. Bayshore Library is in center right of the picture and Fire Station No. 8 is in upper center of picture.
2019.022.007	Photograph	Aerial photograph of Second Street looking north	1975 - 1989	Color aerial photograph of Second Street looking north (8" x 10"). Photo depicts Second Street from Santa Ana Avenue on right to Glendora Avenue on left. Fire Station No. 8 is on the right center of picture.

2019.022.008	Photograph	Aerial photograph of Second Street looking north	1975 - 1989	Color aerial photograph of Second Street looking north (8" x 10"). Photo depicts Second Street from Pomona Avenue on right to Covina Avenue on left. Former Jack in the Box at SE corner of Second and Covina (now a Pollo Loco) is visible on center right of picture.
2019.022.009	Photograph	Aerial photograph of Second Street looking north	1975 - 1989	Color aerial photograph of Second Street looking north (8" x 10") Photo depicts Second Street from La Verne Avenue on the right to Nieto Avenue on the left. Legends sports bar topped by satellite dishes is visible in center of picture. Current Chase Bank building on south side of Second Street between Corona and Nieto is at center left of picture. Bank of America building on north side of Second Street between Nieto and Granada is at center far left of picture.
2019.022.010	Photograph	Aerial photograph of Second Street looking north	1975 - 1989	Color aerial photograph of Second Street looking north (8" x 10"). Photo depicts Second Street from Corona Street on right to Granada Street on left. Chase Bank building on south side of Second Street between Corona and Nieto is in center of picture. Bank of America building on north side of Second Street between Nieto and Granada is in center left of picture.
2019.022.011	Photograph	Aerial photograph of Second Street looking north	1975 - 1989	Color aerial photograph of Second Street looking north (8" x 10"). Photo depicts Second Street from Argonne Avenue on the right to Park Avenue on the left. The former Northwoods restaurant building with its "snow" capped roof is visible at the northeast corner of Second Street and St. Joseph; and the Farmers and Merchants Bank branch is at the northwest corner of Second Street and St. Joseph, both in the center of the picture. Union 76 and Mobil gas stations (no longer at those sites) are at the north corners of Second Street and Park Avenue.
2019.022.012	Photograph	Aerial photograph of Second Street looking north	1975 - 1989	Color aerial photograph of Second Street looking north (8" x 10"). Photo depicts Second Street from St. Joseph Avenue on right to Livingston Drive/Quincy Avenue on left. Union 76 and Mobil gas stations (no longer at these sites) are on the north corners of Second Street and Park Avenue. A former Kentucky Fried Chicken (now Archibald's) is at the southeast corner of Second Street and Quincy Avenue. The current Wells Fargo Bank building is on the north side of Second Street at the intersection with Livingston Drive.
2019.022.013	Photograph	Aerial photograph of Second Street looking north	1975 - 1989	Color aerial photograph of Second Street looking north (8" x 10"). Photo depicts Second Street from Roycroft avenue on center right to Livingston Drive/Prospect Avenue on left. Businesses depicted include former Kentucky Fried Chicken (now Archibald's) at southeast corner of Second Street and Quincy Avenue and Wells Fargo Bank building on north side of Second Street at Livingston Drive.

2019.022.014	Photograph	Aerial photograph of Second Street looking south		Color aerial photograph of Second Street looking south (8" x 10"). Photo depicts Second Street looking south from Livingston Drive on right to Park Avenue on left. Businesses depicted include a Kentucky Fried Chicken (now Archibald's) at the southeast corner of Second Street and Quincy Avenue; the Wells Fargo Bank building on the north side of Second Street at Livingston Drive. Yellow sticker labelled "2 lots - 18 sp." is posted at the parking lot south of Second Street on Park Avenue.
2019.022.015	Photograph	Aerial photograph of Second Street looking south		Color aerial photograph of Second Street looking south (8" x 10"). Photo depicts Second Street looking south from Livingston Drive/Quincy Avenue on right to St. Joseph Avenue on left. Two yellow stickers labelled "2 lots - 18 spaces" are placed on parking lots on Park Avenue north and south of Second Street.
2019.022.016	Photograph	Aerial photograph of Second Street looking south		Color aerial photograph of Second Street looking south (8" x 10"). Photo depicts Second Street from Roycroft Avenue on the right to Argonne Avenue on the left. Businesses depicted include Union 76 and Mobil gas stations (no longer on those sites) on the north corners of Second Street and Park Avenue; the "snow" capped Northwoods restaurant (no longer on the site) at the northeast corner of Second Street and St. Joseph Avenue. The Belmont Theater building is at the southeast corner of Second Street and St. Joseph. This building was constructed in 1928 and opened in 1929 as a movie theater with adjacent storefront commercial spaces within the building. It's design included art deco elements. It underwent renovation in 1949 that added moderne style elements. The theater closed in 1977. The theater part of the building is now occupied by the Belmont Athletic Club.
2019.022.017	Photograph	Aerial photograph of Second Street looking south		Color aerial photograph of Second Street looking south (8" x 10"). Photo depicts Second Street from Granada Avenue on the right to Covina Avenue on the left. Businesses depicted include the Bank of America building at the northeast corner of Second Street and Granada Avenue and the current Chase Bank building at the southeast corner of Second Street and Corona Avenue.
2019.022.018	Photograph	Aerial photograph of Second Street looking south		Color aerial photograph of Second Street looking south (8" x 10"). The photo depicts Second Street from Nieto Avenue on the right to Glendora Avenue on the left. The former Jack in the Box (now El Pollo Loco) at the southwest corner of Second Street and Covina Avenue is visible in the center of the picture.

2019.033.1077	Folder	APPL. 51678 (Amended) CALIFORNIA SIGHTSEEING TOURS: To Increase & Extend Douglas Commuter Service	1970-1970	Folder labeled: "APPL. 51678 (Amended) CALIFORNIA SIGHTSEEING TOURS: To Increase & Extend Douglas Commuter Service" Application No. 51678 to request commission for authority of California Sight Seeing Tours Inc. City needs to approve proposed tariff and new routes but they have no objections. City feels that the tours are valuable to employees at McDonnell Douglas Corporation. In the copy of "Before the public utilities commission of the state of California" writes, California Sight Seeing Tours Inc. will take place at 1401 West Lomita Boulevard, Harbor City, CA 90710. The applicant is operating between McDonnell-Douglas Huntington Beach Santa Monica, and Long Beach. Parties involved are Department of Public Utilities and Transportation of Los Angeles, State Highway Engineers, Gray Line Inc, Bureau of Franchises and Public Utilities, County of Los Angeles Clerk of the Board of Supervisors, Southern California Rapid Transit District, and Greyhound Lines. Anticipated cost of fare will be \$1.75 between West Los Angeles and Long Beach or Huntington Beach and will be based on round trip only. Service territories are West Los Angeles, San Fernando Valley, Route 7, 8, 9. Map is shown of said territories and proposed routes. Second copy of "Before the public utilities commission of the state of California" verifies exact name of the applicant, corporation with correct operations, territories, services, fare cost, capacity of the vehicle, financial statements, authorizations, and restrictions. Signed and verified by D.A. Mannino on April 14, 1970. Also details stops at each route and their descriptions.
