TO WHOM IT MAY CONCERN:

This statement will confirm that I, David Viradet Kreng, take the responsibility in sponsoring Venerable Dr. Kong Chhean, Buddhist priest, to come to the United States. Should he be allowed to immigrate, I shall provide room and board along with other necessities so that he will be able to pursue his religious career among the Cambodian residents in the United States without worrying about the financial aspect of daily life.

The Cambodian community will welcome Dr. Kong Chhean to their new homeland with open arms and gratitude.
